

Because Every Family is Unique... Get Inclusive!

Inclusive Leadership Online Course

Improve your Care Management skills by considering:

1. What are my hidden biases?
2. How do we talk about our differences?
3. How can we be allies to people in our care?

Relevant

Diversity is **reshaping** every aspect of the health-care industry. Improve your ability to work with diverse families **successfully**.

Self-Paced

Conveniently go through the course at your own pace, using any Internet connected device. You can continue where you left off.

Reflective

Self-reflect to deepen awareness of your **biases** while strengthening skills to be an **ally** to people in your care.
